

**WESTLAKE HIGH SCHOOL
CHOIR DEPARTMENT
AD CONTRACT FOR THE
2021-2022 SEASON**

Celebrating our 37th Season

I would like to thank you for your support of the Westlake High School Choir Department. Placing an ad in our program promotes your business and supports the efforts of the Westlake Choir Department's mission of providing music education to all students regardless of ability to pay

All of our school performances take place in the Carpenter Family Theatre located at Westlake High School. There are three major public performances. Each concert will be performed three different times to over 1000 patrons, over 3000 for the season. Our concerts are attended not only by the parents of the students, but also by many people from our community who have heard that Westlake High School Choir Department produces a professional-level show.

The program that your ad will be in is professionally printed in black and white on 8 ½ x 5 ½ papers. Your ad will look great and your advertising dollars will be well spent.

Thank you for taking your valuable time to talk to this student and for reading this letter. Your financial support of tomorrow's leaders and entertainers is greatly appreciated. The student must return all artwork, ad contracts, and payments at the same time in order to keep our quality at a high level.

If you have any questions please drop an email to ballas@westlakechoir.org my program manager and he will get back to you soon as possible.

Sincerely,

Amy Rolniak
Choral Music Director
