5. Snacks for bus ride (NO drinks w/o lids) and for the entire weekend. Bring extra food for snacking on Festival Day.
6. Bring Dramamine if you need it for the bus ride!!

This is a note from our travel coordinator:

Please note for Disneyland Resort tickets –participants should be encouraged to download the Disneyland app prior to departure. Once they have their tickets in hand, they may add their ticket to the app. Linking their ticket to their app avoids any issues with lost theme park tickets – they will have a record of the ticket in their app. Lost tickets can be a major hassle so you may encourage your chaperones to take photos of the tickets as well as another backup. Once the ticket is scanned by the Main Entrance on the day of arrival, they can purchase the Disney Lightning Lane service for faster access to rides. There is also a free service, Tip Board and My Day, that can be helpful as they navigate their day.

****Each student may bring one suitcase, and students will place his or her own suitcase under the bus. You may also bring one carry on type bag and your hanging bag on the bus with you. Please mark all of your belongings before you get to school.**
