

Fundraising Packet

2026-2027

Thank you for your support of the Westlake High School Choir Department.

Each year the Westlake High School Choir provides students opportunities for growth and enrichment. We change lives through high level choral artistry in an inclusive, joyful and inspiring environment. We love what we do! However, we can't do it without YOU.

Included in this packet are fundraising opportunities that will help support the efforts of the Westlake High School Choir Department's mission of providing music education to all students regardless of ability to pay.

Patron Program

Through practice and performance Westlake High School Choir provides students opportunities for growth and enrichment. We change lives through high level choral artistry in an inclusive, joyful and inspiring environment.

The Patron Program allows you to help us in this important mission. Your participation directly provides the students in our department these life-changing opportunities.

Patron seat selection is on a first come, first serve basis, in the order of your contribution: Sapphire, Emerald, Ruby, Gold, or Silver (as assessed by date received by the Patron Chairman). Seat selection will begin after the October concert. A portion of your contribution may be TAX deductible AND, since our organization has 501(c) (3) status, your contribution may be eligible for a Corporate Matching Gift Program. Many companies located in the Conejo Valley and greater Los Angeles areas have programs such as this, so please check!

Your contribution of a personalized engraved brick will help fund our future choir activities and ongoing music education for years to come.
